

A BRIEF HISTORY

EMORY GROVE is an historic Methodist Camp Meeting Ground that has held religious services every summer since its beginning in 1868. The grounds consist of 47 cottages with a year-round caretaker, an open-air Tabernacle, a children's activity Temple, and a Hotel, which is no longer used for lodging.

The cottages are privately owned, many being handed down over several generations in some families. The Tabernacle is said to have been a farmer's market from Hanover, PA, moved to its present site in the 1880's. The Hotel, built in 1887, is the only one of three left standing. It is used for receptions and meetings throughout the summer months.

The Temple, built in 1906, originally held children's church school classes. It is now a recreation area for children.

EMORY GROVE was once a thriving Christian community with thousands of people attending week-long services.

Over the years, it has developed into a summer get-away that provides a peaceful setting to commune with nature and with God.

The worship services on Sundays and the Hymn Sings on Wednesdays are free and open to the public.

Emory Grove is a registered 501(c)3.
All gifts are tax deductible.

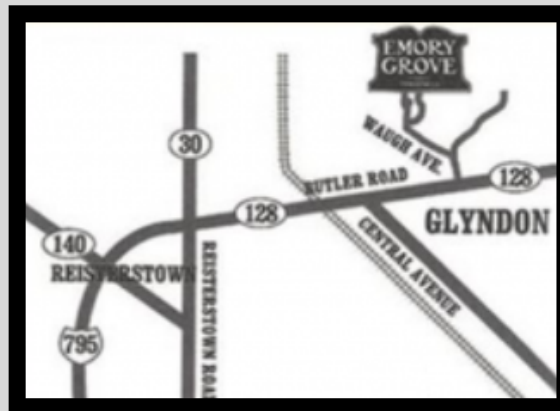

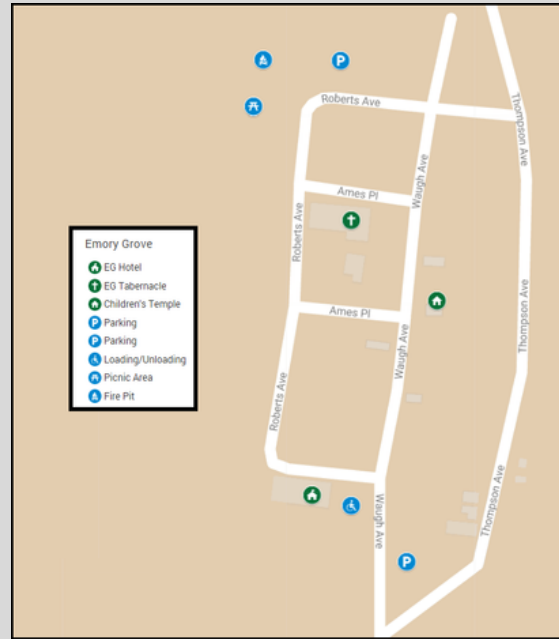

COVID-19

Out of respect for our community members and visitors, all Summer 2020 events will take place in the Emory Grove Tabernacle and are subject to change based on governmental restrictions in Baltimore County.

All attendees are requested to wear face covering and respect social distance when interacting with others. Hand sanitizer will be provided at all entrances to the Tabernacle.

Members and visitors are encouraged to bring lawn chairs and blankets to sit on the grass outside of the Tabernacle during events.
